<u>RESSEEPE</u>

Dedicated website – Yes

Organisation webpage – No

Centralised portal – Cordis

Objectives/Success Criteria – Yes

Closedown/final report – No

Open-source data – No

Peer-reviewed academic output (Primary Subject / Referenced) - 20 / 0

Brochures/Case Studies/Videos – Yes

On-line major conference/event presentations - 0

Dissemination Event / Output available – 1 / 0

Follow-on project – No

Consumer Engagement

Consumer Participation – No

Consumer Feedback – No

Output Summary

Progress reports – Yes

Detailed and objective final report – No

Project method detailed – Yes

Performance to objectives detailed – No

Lessons learned identified – No

Policy/Regulation implications reviewed – No

The project has individual reports for each work package (29) but lacks a single summary report to define overall conclusions in an effective manner.

Outcomes vs. Objectives/Targets

Performance to objectives – not clearly assessed

Key Findings

- To reduce demand consider the building as a whole in terms of use and function.
- Cost optimisation will guide stakeholders but soft user values are also important.
- Identify both architectural and technical requirements for retrofitting.
- Replication in other buildings should be a key driver.
- When monitoring provide real-time data to users for maximum insight.
